It is hereby notified for the general information that the exclusive right of collecting Thangadi and Kakke bark in Sri Biligirirangan Temple Forests, Yelandur Taluk, from 1st July 1954 to the end of June 1956 will be sold by public auction at the District Forest Office, on 20th May 1954 at 2 P.M. by the District Forest Officer, Mysore, or any other officer deputed by him.

REMARKS:—

(i) Includes produce on Sri Biligirirangan Temple Forests Area.

(ii) Removal of Kakke bark in plantations is prohibited.

(iii) The Government will not make any extra demand on lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

(iv) The lessee shall not interfere with any operation such as planting, sowing, thinning, felling or any work of contract repair or maintenance, etc., that any department of Government may wish to conduct in the leased area should any damage be caused to the Thangadi and Kakke bark by such operations he shall not be entitled to any compensation.

2. The auction will commence at 2 P.M. and if it is not concluded on the same day, will be continued from day to day at the same hour until concluded.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (1) produces a certificate from the Amildar of the Taluk in which he resides, in the form prescribed by Government, in regard to his solvency and its extent, or an exchange certificate as provided for in Clause 6, and (2) deposits also with the officer holding the sale a sum of Rs. 200 which must, except under unavoidable circumstances, be in the form of cash or currency notes.

5. Bidders who are not residents of Mysore State and who do not possess unencumbered property in Mysore State at least to the extent of the estimated value of the lease unit for which they intend bidding should, before they are allowed to bid, either deposit with the officer conducting the sale half the estimated amount of the lease, to the nearest hundred rupees as earnest money or they should produce a local surety fully solvent to the extent of the highest bid likely to be had at the conclusion of the sale. The bond to be taken from the surety should be on a stamp paper, the stamp payable being governed by the provisions of the Stamp Act. In cases where the foreign bidders deposit half the estimated amount of the lease, the usual deposit of Rs. 200 is unnecessary, and in cases where they produce a local surety the usual deposit of Rs. 200 should also be recovered from them. In the former case the remaining amount of the lease must be paid, before the expiry of half the period covered by the lease in two equal quarterly instalments when the lease is for one year, and in two equal half-yearly instalments when the lease is for two years.

6. The highest bidder shall deliver his solvency certificate to the officer conducting the sale and get in exchange, if he so desires, a certificate signed by the latter which will be sufficient authority for him to bid at auction sale in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale; and in case the party named therein happens to be the highest bidder again he may obtain in lieu thereof, if he so wishes, a fresh exchange certificate for his further use. The exchange certificate will contain all the particulars found in the Amildar's certificate and in addition, details of purchases made in the sales of other divisions as well as in the one in which the exchange certificate is granted. The deposits of unsuccessful bidders will be returned immediately after the sale.

7. The exclusive right to collecting and removing the produce above described will be disposed of to the highest bidder, subject to the confirmation of the Chief Conservator of Forests who, at his discretion, may accept or reject the highest or any other bid, without assigning any reason therefor.

8. The highest bidder shall immediately after the close of the sale, credit into the Government Treasury, one-quarter of the total sale amount including the deposit already made together with the local railway, health and other cesses, if any, and sales-tax on the full lease amount at the rate prevailing in the district. In default, the deposit already made will be forfeited and the right resold. Such resales will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by the resale, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

9. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party. In case the sale is not confirmed in the name of the highest bidder the next highest bidder may be called upon to take up the lease and in that case he shall abide by all the conditions prescribed herein for the highest bidder. The security deposits of the next highest bidders will be retained until the confirmation of the sales is decided.

10. Within fifteen days of the intimation of the confirmation of the sale, the successful bidder shall execute a separate agreement at one for each unit with one or more sureties to the satisfaction of the District Forest Officer of the District concerned, on a stamped paper of the value of ten annas procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount whichever is less, for each unit, for the fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit. Recovery of the security deposit will be waived if the full sale amount together with cesses is paid in advance. In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled, all moneys already paid forfeited to Government and the right resold at the defaulters risk. He shall have no claim to any surplus accruing from such resale and he shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under section 79 of the Mysore Forest Act. After executing the agreement and furnishing the security, the successful bidder shall, before entering on the collection of the bark, obtain from the District Forest Officer, a permit in the prescribed form authorising him to commence the bark collection.

NOTE:—(i) The solvency and the respectability of the sureties should be proved to the satisfaction of the District Forest Officer and the sureties shall be held responsible for all payments to be made under the lease and for due fulfilment of all the conditions of the contract.
(ii) A sample form of the agreement may be seen at any of the District Forest Offices.

11. The balance of the sale amount shall be paid in three equal instalments as follows:—

1st Kist on 1st January 1955
2nd Kist on 1st May 1955
3rd Kist on 1st September 1955

If a default occurs in the payment of any instalment or interest on the due date the contract shall immediately stand suspended and all produce collected and in storage during such period of suspension shall be forfeited to the Government. In spite of such suspension, if the instalments and interests overdue continue to remain unpaid for a period of one month, then the contract shall be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom which shall be recovered as an arrear of land revenue, under Section 79 of the Mysore Forest Act or any other law for the time being in force. Interest at the rate in force for the time being, will be levied on all arrears of lease amount which are permitted to be paid after the due date.

13. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the Chief Conservator of Forests. In the case of mere forfeiture of the security deposit amount, the difference will be made good immediately by the contractor, and in the case of the cancellation of the lease, the right will be resold, the lessee not being entitled to moneys already paid by him or for the subsequent excess realisations by resale, the deficit, if any, that may result from such resale being recovered from him as an arrear of land revenue.

14. Bidders are warned that no transfer or subletting of leases will be permitted.
